From your Chapter Team Leader, Frankie Medlin

We had such a good day today! It was even more than “Chili”, it was down right COLD! Due to the weather in the western part of the state some of our faithful friends from the west were not able to travel to be with us. We want you to know that we missed you. We were very thankful for safe travels for those that were able to be with us for our Annual Chili Cook-off. It was a good day with 238 attending and lots of fun shared with one another. We had 22 entries in the Chili Cook-off Contest. We want to congratulate Roy Bryant from Chapter Z Rocky Mt (1st Prize winner), Pat Joyner from Chapter D2 New Bern (2nd Prize winner) and Alyce Quinn from Chapter M Salisbury (3rd Prize winner). We really had some tough competition with the judges’ scoring telling the real story. The scores were really close and we had some real good chili. We hope all of you that came had as much fun as we all did. Thanks again for coming and again we want to say “we missed those of you that weren’t able to come”. I must say another BIG THANK YOU to those faithful C2 members that worked so hard to make all of this happen again this year. The month of February was busy with planning and putting everything together for our special day. A special Thank You to Roy Bryant, Bobby and Susan Womack, Steve and Mary Craig, Pat Joyner, Lillie Lucier, Dale Petzold, Jane Diloreto and Kim Davis. These special people are from other chapters, but they seem like members of C2 and really chipped in to help us anywhere we needed them. Thank you, Thank you! Thank you!!!!!! Special people help to make special days like this SPECIAL, TOO!!!!

We are heading into March so here’s wishing you a Happy St Patrick’s Day!!!! March is suppose to bring us winds, but seems we have already had lots of winds with some of these cold fronts that keep coming our way.

Our young Chapter Couple, Tom and Linda Tipton, have already captured the Eastern Couples’ Plaque twice and we haven’t finished the month yet. Way to go, Tom and Linda, keep up the good work.

Our Ride Coordinators, Charles and Sue Langley are ready to lead us on rides; they are just waiting for weather to be able to ride. I am sure they will let us know where and when, so be on the look- out for announcements from them. Look for a sneak preview of upcoming ride details at our meeting each month, so don’t miss out by missing our meeting.

We were able to gather on February 13th to celebrate Valentine’s Day before another work session for our Chili Cook-off. We met at Selma Pizza Inn and had a good time laughing and eating, then went on over to Kerney and Connie’s where we tied up loose ends for our Chili Cook-off.

I was really surprised at this year’s Operations Meeting, when I was called up on the stage and presented a really big honor “2014 Chapter Director of the Year”. I do consider this a real honor and am very humbled to be given this honor. Thank you all for your many congratulations and for your sincere thoughts of how much I deserve this honor. I love GWRRA and C2, both have a special place in my heart and have filled many hours for me. I feel Ronald’s spirit smiling down on all of us.

We are beginning our planning for workers for “Wings Over the Smokies”. I know some of you aren’t going to be able to go this year because of the date being so close to July 4th week and your work place being closed the week of the 4th. We will certainly miss you and wish there were some way you could get off that week, too. If you are going to be able to go, we need to know when you will be going and when you will be able to work. We need to get a workers list together to send in to Dorothy so she can get the work schedule put together. We still have a few rooms left in our block of rooms reserved at Great Smokies Inn. We are looking forward to another great rally in Cherokee.

Remember, we plan some of our impromptu rides at marbles on Friday nights at Wendy’s so come join us for fun on Friday nights. We are always offering to teach others how to play marbles as they stop by to ask about our game. Come join us any Friday night that you can.

For those of you outside of our chapter, we invite you to visit with us at our gathering anytime. If you have visited us or are a regular visitor each month, please continue to come and visit. We meet the first Tuesday of each month at Parkside Café, 2176 US Hwy 70A East, Pine Level, NC and our March gathering will be March 3rd.

We would love to have any of our members write an article for our newsletter and send it to Judy by the 20th of the month. Her email address is on the front page of our newsletter. You can help Judy make our newsletter ever better if you contribute. She puts together a great newsletter each month and you can make it even better.

Let’s ride for FUN, FRIENDS and SAFETY.....RIDE SAFE!!

Frankie Medlin,
Your C-2 Team Leader

To Frankie Medlin for being the 2014 NC Chapter Director of the Year!

Somewhere in this newsletter, we have hidden someone’s GWRRA Member number. Be sure to look to see if it’s your number. Each month we will have something special for anyone who has found their member number and who tells where they found it before the meeting starts. Maybe it will be YOU!!!!

From your Assistant Chapter Director,
Tom Tipton

Wow! Wow! Wow!

That is how I have to start this note out. What a month February was!

We knew at the end of January that Frankie Medlin had captured 2014 Chapter Director of the Year. We really had not been able to brag on her until February. That made us all at C2 very proud. I also want to take a line here to tell her how proud of her we are. You go girl!

Then we had the Chili Cook Off to look forward to. With all the advertising C2 has done over the last year it has paid off again. With the visiting and advertising we all have done to see the GWRRA members file in the door on the event day warms one's heart. Thank You North Carolina District!

Add all of the visiting to other chapters and following that crazy C2 Chapter Couple of the Year around. I do have to say that the Couple C2 has been blessed with this year is very CRAZY. Ha! Ha!

C2 enjoys visiting other chapters in the East, Central and West. We have a good road crew. "I will call us that for lack of a better explanation of us". We do enjoy visiting and also understand that without visitation a chapter cannot expect to get visitors. There is no better feeling to have than to visit another chapter and see the happiness that visiting them brings. You can see it on their faces when you walk in. Then for the members of the chapter you are visiting to know your name. That for me is PRICELESS !!!!!!! I will continue to visit.

I also would like to take this opportunity to thank the Staff and Members of C2 for all you do!

Proud to be your ACD

TRAILERING

I am however going to talk about loads and tongue weight. Tongue weight is very important when pulling a trailer. What is tongue weight? It is the weight of the tongue of the trailer puts on the ball/link of the hitch. How much should it be? All the experts say 7 to 12 per cent of the total weight of the trailer. Well, how do I know what my trailer weighs? The manufacturer of the trailer supplies that information with the Bill of Sale.

When you load the trailer, weigh each bag or item you place in the trailer and add it to the weight of the empty trailer. If the tongue weight is too light, it can push up on the ball when stopping and decouple from the hitch. If the tongue weight is too heavy, the trailer will put too much “down force”, on the hitch, unloading weight from the front motorcycle wheel, causing longer stopping distances. As we know, **70% of our stopping power** is the front brake.

Where you place items in the trailer is also important. The heavy seldom used items go at the bottom and over the wheels and axles. The items used most often and lighter items go to the front of the trailer and behind the low heavy stuff. Some trailers are outfitted with a cooler in the tongue. When you weigh the tongue, make sure you have the cooler loaded

before you weigh the complete package. To measure tongue weight, you can use a bathroom scale or a hanging fish scale.

H2 Durham's Swap Meet

2015-2016 NC-C2 Chapter Couple Tom and Linda Tipton

The month of February turned out to be very chilly for our Chili Cook Off. Not really, it was “Down Right Cold”. It made Linda and me proud to be a part of something larger than our self. It humbles us to see everyone pitch in and do all they can to make the Chili Cook Off day a success. Even the help we got from other chapters makes us proud. Thank you for all the help we got from outside our chapter. We owe you all **BIG TIME!** When the time comes, just ask us and we will be there to help you with what is asked of us! That is not a threat, it’s a promise!! Ha! Ha!

This Quote will live with a lot of us at C2 forever, I will even use it. Pat Joyner told me and a few other members this, “**IF YOU GET INVOLVED YOU WILL HAVE FUN**”. That quote speaks volumes with us. We all repeated that Quote while taking a break together after we were finished cleaning up.
Thanks Pat. That says it all!

We can’t thank everyone enough for helping.

The Visitors that came to share their time with us Thank You! Without your support we would not be writing a thank you note!

We visited quite a few chapters this last month. We have had the Couples Plaque twice in February. It will be at C2 for our meeting in March. Please come after it Eastern couples!

Ride Coordinators

Greetings from your Road Captain and Ride Coordinators:
Chili Cook Off is over and now let the games begin!!!

We had a great ride to Wake Forest and one of our newest members, Wayne Branch, joined the riding crew. Welcome aboard Wayne and Beverly!!

Tom Tipton and Charles Langley talking to Wayne Branch about motorcycles???????

For the month of March, we are looking forward to supporting other chapters at their yearly events. Our chapter rides will include H2 Durham's Swap Meet as well as Z Rocky Mt's Blessing of the Bikes.

I am sure that we will have some rides that are not planned very far in advance because Spring is right around the corner and better riding weather is in sight.

P.S. IT'S SNOWING RIGHT NOW!!!!!!LOL

Take care and keep smiling.

Love you.

Charles and Sue

From the Brain of your Webmaster.....Candis Medlin

We have finished another Chili Cook-off and boy did we have a good day considering the kind of weather we have been having lately. We appreciate all those that came to have fun with us and look forward to seeing you at your events coming later this year.

Speaking of weather, thought I would share with you what happens when you least expect it. I was just driving along on what I believed to be soft snow only traveling about 10 miles per hour when I literally just slid off the road. I was driving a heavier car, an Expedition, but one minute was driving down the road slowly and the next minute I was sitting in the ditch. I was not hurt and neither was the Expedition, but that just goes to show how quickly things can change when you are just driving along carefully minding your own business. The same thing can happen when you are riding a motorcycle, so being careful doesn't always prevent us from having an accident.

After this cold weather, I am really looking forward to a warm and adventure filled summer with our chapter and the other chapters we are able to enjoy time with.

I haven't been able to play marbles at Wendy's for a while, but I look forward to playing this Friday night. If it has been a while since you have been able to come; please come any Friday you can and be sure to bring a few friends along. We always enjoy teaching new people how to play. It is a highlight of my week and as I said before I hate the nights that I have to work and can't be there.

Let me know if you see anything on our website that I need to improve on. I still need pictures of all our members' two wheel; three wheels or four wheel rides for our photo section so that we can show how diverse our group is. And to also show that no matter how or what we ride, we would love to have anyone join us for lots of fun and fellowship. If there's not a picture of you on our site, send me one or get with me and I will take one. Pictures with you and your bike would be good to show and would make a good picture. You can email me a picture to nc_C2_smithfield@yahoo.com.

Let's Ride,
Candis Medlin
919-815-6824

Angie & I are excited about getting back into the Officer network. We look forward to working with old friends and making many more new ones. Always remember, we are here for you. Whatever we can do to help make your GWRRA experience a little better, we will gladly help.

As we enter 2015, it is the season of all things financial. Financial Reports, 990-N epostcards, and other year end accounting and reporting. This is necessary to keep GWRRA rolling so that we may better serve the Members. For all the new Officers out there, don't forget to file your 8822B change of address form with the IRS. This helps to keep all the information current in case there is a need to check something.

While we are on the topic of financial matters, remember not to make raising money the main focus of your Chapters or Districts. We all need some money to operate, and while it is nice to have a sizable bank account, that's not why we are here. Always remember that we are here to ride our bikes, enjoy each other's company and of course, eat ice cream! It's easy to get wrapped up in raising funds, but nowhere does it state that we have to have a bunch of money or to support a charity. Quite the contrary, we should have enough money in reserve to operate for about a year. People have enough pressure to make ends meet in their personal lives, let's not make their GWRRA experience about money and fundraising. GWRRA maintains a not for profit status because of our Education, nothing else. One of the many misconceptions in GWRRA is that you have to support a Charity to keep that status...FALSE! It is all tied to the Education. Additionally, you shouldn't do a "Treasurer's Report" at your meetings, unless it is to say in a lighthearted way "we have money"! Remember that charity starts at home. You should take care of your Chapter or District before you consider taking care of a charity. We all get a good feeling from helping others. I'm not implying that we shouldn't do that, it just shouldn't be the main focus in GWRRA. It's all about getting together, riding the bike and having fun! If people are having fun, they will come!

Again, Angie and I look forward to working with all the Officers and Members in Region N. If there is anything we can do for you, give us a call or drop us an email and we will help you however we can. Until next time, ride safe and have fun!

Remember, we can have more than one ride a month. If anyone has somewhere you would like for us to plan to ride to, please let Charles and Sue know and they will make plans for the group to go.

Hello Fellow Wingers,

Another Operations Meeting has come and gone. As we looked out at the group in attendance there is one thing I think we forgot to say and that would be thank you. Thank you all for stepping up to the challenges of running a chapter or being a chapter educator or chapter couple. Please keep in mind through this challenge that you have some vital functions in maintaining your chapter.

Education- 51% of all activities contain must have Rider Education.

Fun- The only reason we are here together is to have fun. Most of which means riding our motorcycles.

Membership- Every chapter should have a goal of gaining new members.

Growing Leadership- Every cur-rent leader needs a replacement.

I remember when we first joined GWRRA. We looked at some of the chapters and said we want to be like them. They were going places together and having fun. That energy was what sucked us into being who we are. Looking back what I learned most from our experience was the experience of what we made it. We had to put our energy and our time into having fun. We had to get our chapter together and involved. It was a constant effort but it was well worth it.

Speaking of constant efforts being well worth it, we would like to congratulate Frankie Medlin on her award of Chapter Director of the Year! Frankie has done an out-standing job at

C2-Smithfield. Come to the Chili Cook-Off on February 21 and congratulate her on this award.

Again I say thank you to our members and our chapter staff. I challenge you to have fun and to share your fun with others.

2013-2014 International Couple of the Year

Couple of the Year Program

For those of you whom we haven't met yet, we are Tommy & Gayle Wilson and we're so proud to be your Assistant Directors Membership Enhancement Program - Couple of the Year. We live in Boones Mill, Virginia which is just south of Roanoke and we were the 2013-2014 International Couple of the Year. We met so many people during our year and had so much fun that when we were given the opportunity to take on this position, we grabbed it! We are working to enhance the program and you'll be hearing more about that at a later date. For now, we have already begun planning for the International Couple of the Year selection at next year's Wing Ding 37 in Huntsville, Alabama. We have made contact with all the new Region Couples and they are excited about participating in the selection process. Did you know that since the International Couple of the Year Program began in 1988, there have been 266 couples who have participated in the selection at Wing Ding? Being selected as a Region Couple is quite an honor and they now belong to a unique family within GWRRA. In order to give you an opportunity to get to know each of the Region Couples we have asked that each of them submit a short biography of themselves and their time in GWRRA. One couple will be highlighted each month. If you have any questions concerning the Couple of the Year Program, the International Couple of the Year or the International Couple of the Year Selection at Wing Ding don't hesitate to send us an email or give us a phone call. Our contact information is on the MEP - Couple of the Year page on the GWRRA web site. We look forward to hearing from you!
