Here we are getting ready to head to Myrtle Beach next week-end for fun, fun, fun! It is always so much fun to go to Myrtle Beach to enjoy so many of our GWRRA friends from all over the state. C2 provides the drinks including coffee, cups, plates and napkins. Everybody that comes brings all kinds of snacks and we just have such a good time playing games, laughing and playing jokes on one another to the wee hours of the nights (Friday and Saturday). When we get back November will be here and we will have our chapter gathering on Tuesday night, November 3rd. Hope you will join us!

We were so happy to have Steve and Sheila Ashinhurst join us for our October gathering. They have been GWRRA members for several years and we hope they will come back and join us as active C2 members. Sheila and I worked together at a couple of different schools before we both retired. It was so good to see them.

This week has been cool and we are reminded how we need to be sure to have layers of clothing on when we ride. Even though I am not able to ride yet, I haven't forgotten how cold you get if you don't have on layers when you ride. I heard some of our members talking recently about looking for heated gear. That's another way to stay warm when you ride. Plan for the temperature when you are planning your ride. Enjoy the beautiful colors and the great weather of the fall before it gets too cold and the colors are gone.

Another important happening the end of October is our C2 planning meeting for 2016. Hopefully when we have our November meeting, we will be able to announce our new staff for the New Year. It has been three years since Ronald and I became your C2 Chapter Team Leaders. In some ways it has been a very quick three years, but when I look at all that has happened over the last three years, it has been a full three years. I have enjoyed being your C2 Chapter Director and hope you feel it has been a good three years. As with all chapters, we have had our ups and downs. C2 has a wonderful family and we need to continue to grow our family and do everything we can do to make it a better family. Just as all families have to do, we need to continue to do what we can to help one another and grow closer as time moves on. Tom and Linda Tipton will move from Assistant Chapter Directors to C2 Chapter Directors, so they will announce their new staff at our November meeting. December is always a fast moving month so before we know it, we will be moving into 2016.

Our first event for 2016 will be The Resolution Ride on January 1st hosted by NC-S2 Sanford Chapter. It will be held at Broadway Community Center, 1149 S. Main St. Broadway, NC 27505.

They ask that you bring your favorite soup to enter in their Soup Contest. Maybe you can make a pot and take your crock pot to put it in to keep it warm. I am sure we will have a fun day to start off our new year. I have something special planned for my soup, think about what you can do.....

Plan to attend our Chapter gathering on November 3rd.....See you there.....

Thank you all for working to keep our chapter moving forward

Thanksgiving and the rest of the Holidays are just around the corner. Wow! It doesn't seem right they should be here already! They are!!!!

During the "Holiday Season" family's get together to share their time, memories, and awesome meals! Lower fuel prices this year will put more people and vehicles on the roads. That alone makes it less safe than last year. This season make yourself be a little safer than last.

No matter what you drive 2, 3, or 4 wheels, practice being safe always!
Have a Great Thanksgiving!

PARTICIPATION

We all try to do the best we can in the office position we have. We must lead by example.

Motorcycle organizations and clubs throughout this great country of ours, including the Gold Wing Road Riders Association, have been conducting rides to benefit our veterans for many years. It is my belief that we can't do enough for them when they return home after serving our country, so that all of us can continue to enjoy our freedom. The charity rides we all do for our veterans, disadvantaged children and adults, and our communities, are enormously satisfying to us all.

What role you want to have in helping the Chapter be successful and FUN is completely up to you. Do you want to truly and humbly serve the Members of the Chapter as an Officer - a commitment to the success of the Chapter now and in the future? Do you want to help support the Operations of the Chapter as a TEAM Member each month? Or do you want one of the most important roles in any Chapter, being an ACTIVE Chapter participant? Which one are you and how can you help? If you are not participating, please let your Chapter know what they can do for you to join in on all the FUN! We do not want you on the sidelines, we want YOU to have as much FUN as the rest of us are having.

It's most important for you, a Chapter Member, to make the visitor feel welcome. The more comfortable they feel from the beginning with all the Members of the Chapter, the more likely they are to participate with this very friendly group of motorcycle riders. We all want to have FUN. We all want the Chapter to be successful. And we all have a part to play in that success. What are YOU doing?

LEVELS I, II, III, & IV

Don't forget to keep a check on your levels, to keep them up to date, and also to plan to update your levels!

We are looking forward to the Holiday Season. With our Grand Baby Margo being 2 + years old, it sets up to have the best Holiday Season ever! We know of other Grand Parents that are looking forward to having their best Holiday Season also!

We would like to thank C2 for their continued support. We both understand that we don't deserve the kindness you all have bestowed upon us! Thank You! Please be safe in your journeys and travels this Holiday Season!

REMEMBER: November 1st.....Fall Back

Greetings from your Road Captain and Ride Coordinators:

Hope all of you are taking time to enjoy this beautiful fall foliage and weather. The skies are such a peaceful blue, with the soft, puffy, white clouds moving around. It makes us take a deep breath and enjoy every day. And catching fish is a very good benefit!!! Just want to let you know how much we have enjoyed the past year as Road Captain and Ride Coordinator. We had some wonderful riding time together and that is dear to our hearts. Thank you for giving us those precious memories to cherish.

We feel that it is now time for us to step away and give someone else the joy of this position. Thank you for honoring us this past year!!

Remember to give thanks and enjoy special time with family and friends during Thanksgiving!!!!

HAPPY THANKSGIVING

Love to all of you,
Charles and Sue

From the Brain of your Webmaster.....C a n d i s M e d l i n

November is the time to be thankful to gather with our family and friends and to celebrate the blessing we have had throughout the year. It is a time to reflect on how the year has gone and to make plans and changes for things that we want to do differently for the New Year. C2 has a lot of things we should be thankful for, my family has a lot of things to celebrate; things could have turned out a lot differently for us this past year and we are very thankful we have been given another year to spend together.

If you haven't been coming to marbles at Wendy's on Friday nights or it has been awhile since you have been able to join us; please come any Friday you can and be sure to bring a few friends along. We always enjoy teaching new people how to play. I don't know about anyone else but that is a highlight of my week. I hate the nights that I have to work and can't be there. With all of the extra hours I have been putting in at work, playing marbles really is the highlight of my week.

As you or any others that may visit our website, continue to have any thoughts or ideas on how we can improve or better serve C2, please let me know.

Let's Ride,
